**REQUEST TO VACATE OFFICE ACTION, INTERVIEW SUMMARY**

This responds to the Office action dated September 22, 2004, for which a three month period for reply was set, making a response due on or before December 22, 2004.

This provides an Interview Summary for a telephonic interview of December 6, 2004. Applicants' representative contacted Examiner VanderVegt regarding the Office action dated September 22, 2004. Applicants' representative noted that the Office action was based on pending claims 1-36; however, Applicants submitted a Preliminary Amendment on August 7, 2001, canceling claim 6-8, 10-12, 15-18, 24-26, 28-30, 33-36, and adding new claims 37-44. Examiner VanderVegt confirmed that the Preliminary Amendment had been entered, but had been mislabeled in the United States Patent and Trademark Office's Image File Wrapper (electronic files), and that the Examiner had thus inadvertently examined the incorrect set of claims. Upon review of the preliminary amendment, Examiner VanderVegt stated that he would vacate the Office action dated September 22, 2004, and issue a new Office action based on

examination of all of the currently pending claims. The Examiner recommended that Applicants not respond to the Office action dated September 22, 2004, as he believed this would only further complicate matters.

Examiner VanderVegt stated in the telephone conference that by the end of December 2004, he would provide formal notice that the Office action had been vacated. However, Applicants have not received such formal notice, nor is the vacation of the Office action listed on the United States Patent and Trademark Office's PAIR website. Thus, Applicants request formal notice that the Office action has been vacated.

Applicants submit that no fee should be required for this Request to Vacate Office Action and Interview Summary, and that no extension fees are required for a response to the Office action. However, should the Director determine that a fee is required, such as an extension fee, Deposit Account No. 02-4550 Authority is provided on the accompanying transmittal letter.

If any matters remain to be resolved prior to the issuance of formal notice that the Office action has been vacated, please contact the undersigned at the telephone number listed below.

Respectfully submitted,
